11-Amp Deep Cut Variable Speed Band Saw (No Case)

CATALOG (SKU) NUMBER: MI-6232-20

The Milwaukee 11-Amp Deep Cut Variable Speed Band Saw has a powerful 11 amp motor with Constant Power Technology (CPT) for maximum performance to tackle your toughest applications. Comfortable to use and easy to control with a balanced body design, lighter weight and slimmer motor housing for better cut visibility, this tool is not lacking in cut capacity with the versatility to cut up to 5 in. x 5 in. material in a single pass. The tool-free locking adjustable shoe lets you adjust from an extended shoe to no shoe in seconds and with the debris protection system, debris is removed during operation. Built-to-last with durability features, including Job Site Armor Technology, all-metal direct drive and a gear protecting clutch, this versatile saw is ideal for use in the field, in your workshop or for DIY projects around your home.
