PACIFIC Industrial Supply

18V LXT® Lithium-Ion Cordless 7-1/2" Dual Slide Compound Miter Saw, Tool Only

CATALOG (SKU) NUMBER: MK-XSL01

Powerful Makita-built motor delivers 2,200 RPM. Weighs only 27.5 lbs. with battery for reduced operator fatigue. Four steel rail sliding system increases rigidity to produce superior accurate cuts. Miters 0-47° left and 0-57° right; bevels 0-45° left and 0-5° right. Large aluminum base supports large stock for efficient cutting. Positive miter stops at 9 settings: 0°, 15°, 22.5°, 30° and 45° left and right. Large cutting capacity up to 2-1/16" and 8-3/8" crosscuts at 45°. Direct drive gearbox for increased cutting efficiency and less maintenance. Rubberized soft grip handle provides increased comfort on the job. Electric brake for maximum productivity. Equipped with Star Protection Computer Controls to protect against overloading, over-discharging and over-heating. Rapid Optimum Charger communicates with the battery's built-in chip throughout the charging process to optimize battery life by actively controlling current, voltage and temperature. Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging. Makita technology delivers category-leading charge time, so the battery spends more time working and less time sitting on the charger. Compatible with Makita 18V Lithium-Ion batteries with a Star symbol. 3-year limited warranty on tool, battery and charger. Only use genuine Makita batteries and chargers.
