4-1/2" Paddle Switch Cut-Off/Angle Grinder

CATALOG (SKU) NUMBER: MK-9557PB

Powerful 7.5 AMP motor delivers 11,000 RPM for high output power. Compact design with small 2-1/2" diameter barrel and weighs only 4.5 lbs. for added comfort. Labyrinth construction seals and protects the drive gear and bearings from contamination for longer tool life. Lock-on/off feature for continuous operation. AC/DC switch for use with alternative power source. Protective zig-zig varnish seals the armature from dust and debris for longer tool life. Extra large paddle switch for comfortable operation. Thicker coil wires are wound more closely to reduce heat and energy loss. All-ball bearing design and metal gear housing for durability. Push button spindle lock for operator convenience.
