5" SJS High-Power Paddle Switch Angle Grinder

CATALOG (SKU) NUMBER: MK-9565PC

Powerful 13.0 AMP motor delivers more output and 10,500 RPM for the most demanding applications. SJS technology is a mechanical clutch system that helps prevent motor and gear damage by allowing the drive shaft to slip if the wheel is forced to stop. Constant speed control automatically applies additional power to the motor to maintain speed under load. Electronic current limiter helps protect the motor from overload. Soft start suppresses start-up reaction for smooth start-ups and longer gear life. Labyrinth construction seals and protects the motor and bearings from dust and debris for longer tool life. Large no lock-on paddle switch with lock-off for comfortable operation. "Tool-less" wheel guard adjustment for easy adjustment. Two position adjustable side handle for operator covenience. Compact design at only 12-1/8" long and weighs only 5.3 lbs.
