7" Angle Grinder

CATALOG (SKU) NUMBER: MK-GA7011C

Powerful 15.0 AMP motor delivers 6,000 RPM to complete the most challenging applications. Constant speed control automatically applies additional power to the motor to maintain speed under load. Soft start suppresses start-up reaction for smooth start-ups and longer gear life. Electronic current limiter helps protect the motor from overload. "Tool-less" wheel guard for more convenient adjustments. Externally accessible brushes for greater serviceability. Labyrinth construction prevents debris from entering the motor, bearings and gears for longer tool life. Large trigger switch with lock-on for continuous use. Spindle lock for operator convenience. Side handle for increased comfort.
